BRANCH E-MAILS

Once a month the Branch will send out a newsletter on what is happening at the Branch.

Please note that your e-mail will not be shared with anyone, no personal e-mails are seen.

If you, or someone you know is not receiving our newsletter, please send me their e-mail address and we will update asap.

Message From Your Branch President

This is an update on the COVID-19 situation and how it affects your Branch. The Branch has been closed since Tuesday March 17th, 2020, due to a State of Emergency declared by the Ontario government. The Branch will remain closed until the State of Emergency is lifted, and our building is safe to re-open.

All events and meetings at the Branch are cancelled until further notice. The April Branch elections are on hold. We will pick a new date, once the State of Emergency has been lifted, and we are back to normal operations.

Please note that all Legion sporting events in the area have been cancelled until further notice. The Zone G-5 convention is cancelled and the District G convention is postponed to a date yet to be decided. The Dominion Convention is still planned for the end of August 2020, but that may change.

Your Executive is asking our membership to let us know if a Branch member could use some assistance during these difficult times. We are here to assist you and have many tools to pick from, so don't suffer alone.

Padre Bob MacNichol is also available to talk with during these difficult and stressful times. If you would like some time with Bob for spiritual thoughts, or prayers, give him a call at **613 828 2314**.

Veterans Affairs Canada (VAC) is still processing claims requests, so if you require help with your claim or wish to start a new claim, please contact me. Your Executive is willing and able to put you in contact with the right person.

With the Branch now closed, there will be a delay in responding to phone messages, so contact me by e-mail instead. As always, The Royal Canadian Legion is here to support you. If you or any Branch member can use any assistance during this stressful time, please e-mail me.
